Emergency Services Committee
Working together for a safe community

- Plan
- Prepare
- Inform

Your Welfare Matters!

If you have special medical needs, or have limited mobility, and believe you will require assistance during a **major incident**, we would like to help.

The HR Emergency Services Committee is compiling a list of residents who have mobility problems or other special needs. In case of a **major earthquake or wildfire**, you may be at greater risk due to ambulatory restrictions. If you would like to have someone check on your welfare after a **major incident**, please register with us. Your information will be kept confidential and will only be used during a **major disaster**.

Fill out the information below, and your information will be kept on file by the CSD and HROA until needed. You may change your information at any time to accommodate your needs. **Forms may be submitted to the HROA Member Services Office at the address above or emailed to office@hroa.us.**

The information may be returned to the HROA office. Help us serve you to build a better community. Don't be left alone when you need help.

Name _____ Lot/Track _____
