Dear New Property Owner:

Welcome to Heritage Ranch. Thank you for purchasing property within the Heritage Ranch boundaries.

To activate your Membership status, a copy of your recorded grant deed is required. A Membership card and your vehicle decals are issued for the primary Owner (or Tenant), plus one co-owner/co-tenant (additional rules apply for cards for trusts, businesses, corporations, or partnerships) at the Member Services Office. You will be able to receive decals for any vehicle or vessel owned in your name. Your registration must be current and the name(s) on the vehicle registrations must match the name(s) on the identification card(s) for decals to be distributed. If you are not eligible for decals, you must use the visitor gate for entry.

Membership privileges include, but are not limited to:

1. Picture identification cards, which entitle property owners to obtain vehicle decals and to use the member lane access pad
2. No boat launch fees except for mussel inspections
3. A permanent guest list of up to six families/guests
4. Boarding of horses at the Equestrian Center (with additional monthly fees)
5. Access to the Heritage Ranch Marina and other recreational facilities
6. Annual voting privileges (subject to account status)

You will notice that your lot/tract number and your member/account number are on your identification card(s). These numbers will usually be requested when you contact the Main Gatehouse house to inform them of guest(s) you are expecting. If you have a large number of guests expected, please e-mail (gate@hroa.us) or fax (805-239-8826) the gate your list.

When using the launch ramp, please have your identification card(s) with you along with your current vessel registration in case a Ranch Patrol Officer wishes to verify your identification. When it is posted, you must have current decals to use any member gate on the Ranch or to park at the Marina (non-decaled vehicles must use overflow parking locations.)

The Membership Handbook of the Rules & Regulations you received at close of escrow gives a brief overview of most of the rules pertaining to our amenities. Further information on some of the topics covered in this booklet can be found in your Covenants, Conditions & Restrictions (CC&R's) specific to your tract and the Heritage Ranch by-laws, also distributed to you at the close of escrow. We recommend that you become familiar with the CC&R's pertaining to your property.

Your assessments are payable quarterly, due as follows: July 1 (1st Quarter); October 1 (2nd Quarter); January 1 (3rd Quarter) and April 1 (4th Quarter). Please mark these dates on your calendar. Payment must be received on or before the 15th of the first month of the quarter or a \$10 fee is assessed. You have the option to pay monthly. However, the payment must be received by the 15th of each month, or a \$10 assessment will be charged each month the payment is late. *FOR YOUR BENEFIT, Autopay for your assessments is available for set up with a check at the HROA office or credit card through the member portal.*

For any changes you are planning to the **exterior** of your home, you will need to request and apply for approval through the Architectural and Environmental Control Committee (AECC). Request forms for all projects are available on our website or at the HROA office. The committee meets on the first and third Thursday of the month. All requests must be received on the Friday prior to each meeting to be on the agenda for review.

Your new member packet contains 1) Your membership paperwork (mandatory) to complete before cards can be issued, plus your permanent guest list (optional); and 2) E-mail opt in Paperwork and 3) this new owner letter. Contact us with questions.

PGLs must be kept current. Written authorization by the OWNER/TENANT is required to make changes. **PGLs should be reviewed and updated annually.**

The Association maintains the right to refuse entry to anyone who is deemed to be a nuisance to the community, who adversely affects the health and welfare of the community, and/or who provides inaccurate information when identifying themselves to Association staff.

SUBJECT: SURFACE WATER RESPONSIBILITY

Dear Homeowner,

Substantial precipitation over an undefined period of time may cause surface water to flow upon the land of unimproved and improved lots within a tract, which could cause substantial damage. Some Homeowners are under the impression that is the responsibility of, and should be remedied by, the Heritage Ranch Owner's Association.

This notice is to serve as a formal disclaimer by the Heritage Ranch Owner's Association of any duty or responsibility for any damage that might be caused in the past or the future by surface water.

The Heritage Ranch Owners Association assumes no responsibility for maintenance and/or land repair not included as common area of the Owners Association, lands and/or easements which have not been dedicated and accepted by the Heritage Ranch Owners Association, and/or any improvements on said property which surface water may be naturally or artificially diverted.

Should you predict a surface water problem, contact your predecessor owner to discuss what steps might be taken to alleviate this potential problem.
